23) The estimate for Rs 50540 was revised to Rs 51,440 for the Selu water supply scheme was revised to Rs 51, 440 which was scrutinised by the chief engineer & found to be in order

24) Information was called for from the D P H as to how the extra expenditure of Rs 900/- involved by this revision would be met and whether there are any savings in the original sanctioned estimate etc

25) The report now received from the D P H shows that no savings are available in the original estimate and the extra amount of Rs 900/- is proposed to be met by the govt & the local body in equal proportion

26) In the above circumstances, it is for orders if the extra amount may not be ordered to be met by the govt & the local body in
